

Dear friends,

What an incredible honour in 2020, to be awarded Community Group of the Year at the Australia Day Awards Ceremony 2020. We take great pride in this achievement and continue our dedication to serve our community. Our supporter family is growing, and we are able to offer an extra incentive now that we have been endorsed with a Deductible Gift Recipient (DGR Status) through the ATO (Australian Taxation Office). This means, ***all monetary donations over \$2 made to Turning Point Camden Inc. are tax deductible.*** This opens significant financial benefits for both the organisation and supporters, and a way to meet our financial needs that will cover operational costs to enable us to continue to serve our community.

The layout of our property has served us well during these Covid restrictions where we have been able to modify our service provision utilising our beautiful, spacious backyard. In 2022 we have plans to create a garden space, provide opportunities for people wanting to return to the workforce and apply for funding to provide options and material support for families and individuals to break down any barriers causing them roadblocks to reaching their goals.

In saying this, we would like to extend an invitation for your financial support or alternate donor opportunities. The length of time for sponsorship is at your discretion. You may own a business or know of a business who has a community service arm within their operations or be a family, individual, have an idea around a fundraising event or belong to a social group seeking a very worthwhile community cause to support-

- Utility costs (electricity, phone, water)
- Administration costs (printer ink, paper, general stationary)
- Bathroom supplies (paper towel, toilet paper, pump soap, cleaning supplies)
- Breakfast Program weekly (sausages, eggs, bacon, onion, bread, juice) roughly \$35 per week
- Hold a fundraising event
- Lunch program, roughly \$50 feeds 20 adults
- Funds or materials towards our projects

It is a privilege to serve our community as a community, and we thank you for your continued support as we do this together.

Attached is a Donor Details Sponsorship document for you to complete and return containing the relevant information.

Please contact the office if you would like to take up one of the sponsorship options or have any leads of support. Our website has two short DVD's explaining our main programs and services (5 minutes) and Men's program (3 minutes). They truly sum up what we are about. Looking forward to hearing from you.
